Awakening the New Masculine: The Path of the Integral Warrior Gary L. Stamper

Awakening the New Masculine is a bridge from the first wave of the mythopoetic men's movement of the last twenty-five years to what is only now beginning to emerge. Gary Stamper points the way to the second wave of men's work with humor, intelligence, and the kind of compassion that holds men accountable—daring, insisting, and giving them the tools they need to step up to a new way of being men. You're going to awaken to the real possibility of becoming the man you've always known you could be, stepping into the truth of who you are in your fullness, cultivating potentials that have called to you, bringing your full presence and awareness to every moment for yourself, your loved ones, and the planet.
