## **Official At&t Worldnet Guide to Legal Research** Kathy Biehl, Tara Calishain

Written by a working attorney who both uses the Internet to meet her research needs and knows the requirements of academic research, this book explains how to do legal research on the Internet by applying problem-solving steps users already know. It shows how to access federal, state and local cases, documentation, advice and other legal information online and explains how to use the Internet as a substitute for maintaining a law library.
