**The Music Kit (Fourth Edition, Computer Assisted Instruction Version)** Tom Manoff

**Introduced in 1976, *The Music Kit* was the first to offer students an integrated learning environment for the fundamentals course.**

By encouraging students to be active learners and providing for varied learning styles, *The Music Kit* has continued to foster the development and mastery of the basic skills needed for further study in music. Students perform frequent exercises, listen to music while examining music scores, tap or clap along to recorded rhythms, and complete computerized tutorials, drills, and quizzes that return personalized feedback and scores. Not merely a textbook, *The Music Kit* offers a complete system for introductory music training, which includes a *Workbook*, *Rhythm Reader*, *Scorebook*, audio CD, and computer software for Macintosh and Windows.

Featuring updated software?now available for Macintosh and Windows platforms?a newly recorded, fully-tracked audio CD, and increased emphasis on aural skills, the Fourth Edition continues to raise the bar for music training excellence.
