****Caution**** Almost Forever contains Adult Language, Adult Situations and Nudity. It is not for younger readers. Over 200 pages of drawings spanning two decades, tell the story of one woman's journey through love and lust, hope and triumph and failure and despair. "Almost Forever" is an intimate look at Elisa's transformation—from married to single, to married again--from struggling author to published author and most important, how she found the strength to keep going in the face of a string of surgeries. These sketch journal drawings are filled with a brutal honesty, melancholy humor and a valuable secret—that true love can come in many forms, and that a sister's love may be the most important love of all.
