Awesome NCLEX® Review Book! *“I have purchased a lot of NCLEX Review Books, but this book by far has the most challenging questions. If you can work through this book, answer the questions, and read the rationales, you should have no problem passing NCLEX.”*

Definitely recommend this to pass your NCLEX®! *“I purchased this book at the insistence of my block 4 instructor. I only used this book as preparation for my NCLEX. I passed it after only 76 questions. This book has higher level questions that require more advanced nursing school knowledge. A must for nursing school and NCLEX!!!!”*

“I’ve used Saunders, Kaplan, and ATI throughout nursing school and this book has the most challenging questions I’ve ever experienced. I passed NCLEX by solely using this book for preparation after graduation... All in all I highly recommend this book! Worth every penny!”
