Djoliba Crossing: Journeys Into West African Music and Culture

Dave Kobrenski

Djoliba Crossing: Journeys Into West African Music and Culture Dave Kobrenski

Discover the music and culture of West Africa in this engaging and beautifully illustrated account of an artist's journey up the Niger River to explore the *djembe* and *dunun* music of the Malinké people in Guinea.

Djoliba Crossing is a celebration of Mande culture in West Africa, as well as an adventure tale of cultural discovery...and of seeking one's own identity far from home.

Filled with narrative stories and historical research, and illustrated with the author's own drawings, paintings, and music transcriptions, *Djoliba Crossing* depicts a beautiful and often strange land balancing between the world of its ancient traditions and the frontier of modern ideals -- and chronicles an artist's journey deep into realms of the unexpected.

182 pages of stories, historical and cultural information, illustrations, rhythm transcriptions, maps, and more.

Contains transcriptions for the *djembe* and *dunun* parts for rhythms including: Konden, Dunungbe, Taama, Numun, Donso Foli, Mamaya, Bala Kulandyan, Dyènè / Djaa, Mendiani (Hamanah), Soliwulen, and Komodenu.
