Bradt's Ghana is the only dedicated guidebook on the market and the most comprehensive source of travel information on the country, written by Philip Briggs, the leading writer of guidebooks to Africa. Catering for all types of visitors, from bar-hoppers to birdwatchers, and covering everything from Ghana's 550km of Atlantic coastline to its remote and sparsely populated northern border, Bradt's Ghana is the most detailed resource for those who want to explore the country's wealth of tropical beaches, national parks, forest reserves, cultural sites and scenic waterfalls. It also includes more than 60 maps and is accompanied by a dedicated updated website run by the author himself.

Friendly, safe and inexpensive, Ghana is an ideal destination for first-time visitors to Africa. It is rich in little-visited national parks, forest reserves, cultural sites and scenic waterfalls and blessed with bleached white beaches and the lush rainforest of the Atlantic coastline. Updated throughout, this revised guide includes authoritative history and wildlife sections, accommodation and restaurant recommendations and a wealth of background and practical information. Written by Africa expert Philip Briggs, it provides unrivalled detail and knowledge of this little-visited nation.

This edition has been updated by Sean Connolly, author of Bradt's Senegal and a contributor to several of Bradt's African titles, who has been visiting the continent regularly since 2008. It has been thoroughly updated and carefully tailored to any changes in the Ghana travel scene since the last edition.
