Introducing Ethics: For Here and Now (MyThinkingLab Series) James P. Sterba

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Students learn how traditional ethical theories can be applied to practical problems .

Introducing Ethics is a brief text that encourages students to determine how the common wisdom of traditional ethical theories can be applied to practical problems such as the distribution of income and wealth, torture, terrorism, and gay and lesbian rights.

The text begins by challenging students to think about whether or not ethics is useful for making choices. It poses three questions: 1) Is morality determined by religion rather than reason? 2) Is everything relative? 3) Is it better to be an egoist?

Then, after laying out Utilitarian ethics, Kantian ethics, and Aristotelian ethics, the author poses an additional three challenges focused on the traditional conceptions of ethics: the environmental challenge, the feminist challenge, and the multicultural challenge.

Learning Goals

Upon completing this book readers will be able to:

- Answer the question: Do I make ethical or moral choices well?
- Determine their own responses to ethical challenges
