Daisy Dalrymple's mother has decided that for Christmas the family will all gather in Cornwall. But the family gathering quickly goes awry. So Daisy and her husband must spend the holiday trapped in an estate with a history of lore, ghost stories, and rumors of hidden treasure and secret passageways with a family seething with resentments, grudges, and a faintly scandalous history. The veneer of civility that pervades the halls begins to wear thin when long-held family secrets threaten to bubble over and one of the Christmas guests is found savagely murdered. It is once again up to Daisy to sort out the truth that lies beneath a generation of poisonous secrets.
