Mortgage Lending Principles and Practices, 6th edition Hondros Learning

This textbook offers a comprehensive introduction and review of mortgage lending principles & practices including: Federal mortgage-related laws, General information about mortgage programs and products, Mortgage loan origination activities, Ethics expected of mortgage professionals, and Content related to MLO license laws and regulations The textbook provides you an overview about the mortgage industry, but not everything will be contained within these pages. It is common for a Mortgage Loan Originator (MLO) to continue learning, even after years of experience. The principles and practices covered in the textbook are a foundation that will help prepare you to become a capable and qualified mortgage professional. It will enable you to stay current with the changes in federal laws, products, guidelines, and procedures in the mortgage industry. We encourage you to accept the challenge presented to you and become a true mortgage professional. Share your knowledge effectively with customers, deliver quality customer service to your clients, and continually demonstrate ethical behavior in your business practices.
