Saint Monica Mary Biddinger

Poetry. Mary Biddinger's poetry collection SAINT MONICA reinvents the saint as an everyday girl coming of age in the rust belt Midwest. These poems explore temptation, transgression, and heavenly presences in a landscape that is far from holy.

"Biddinger crisply narrates these memorable tales that entwine horror and sensual discovery, using deft rhythms, head-snapping line breaks, and highly original imagery."—Rachel Dacus

From reader reviews:

Daniel Ellis:

In this 21st hundred years, people become competitive in each way. By being competitive at this point, people have do something to make these people survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yes, by reading a reserve your ability to survive raise then having chance to stand than other is high. For you who want to start reading some sort of book, we give you this particular Saint Monica book as beginning and daily reading guide. Why, because this book is usually more than just a book.

Christi Shoup:

Information is provisions for those to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider while those information which is within the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you get the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take Saint Monica as your daily resource information.

Cleora Yarbro:
