In this new math picture book, two comical creatures go crazy with graphs in an imaginative look at organizing information. Kids learn all about bar graphs, pie charts, Venn diagrams, and more, as a lizard and a frog explain each step of each graph. Clear examples and plenty of humor make this guide to a vital part of math curriculum fun as well as fundamental. The comic book style art makes the concepts easy to follow, accessible, and add to the humor of the text.
