Driving is the most dangerous activity most of us will ever do. In a few seconds the thin line between life and death can be crossed. In this unique program, based on exhaustive best-practices research, The Young Driver Safety Institute provides readers with the skilled guidance and critical information needed to conduct an effective home-based driver's instruction course. Using the new proactive-predictive driving format the YDSI Workbook is filled with the forms, inventories and informational handouts you need to train yourself, a teen or a senior driver struggling to maintain their license. (Alternate version available for adults over age 65). Join the thousands who are using the YDSI program to be 70% less likely to have a collision. (This Workbook is intended to be used along with the YDSI Proactive-Predictive Training Document Pack and a formal drivers training course.)
