WARNING! This story contains lots of Cunnilingus, and Interracial Coupling. If Lesbian intimacy offends you, DO NOT read. Otherwise, enjoy! I'm a slut for love.. Laura finds herself in an emotional and constant intimate tug-of-war with Deshona, the woman she was assigned to work with for a long period of time. The two find themselves in a relationship where they can't seem to resist each other. Through a long time span, they fire up each other's bodies, constantly bringing each other to the brink of insatiable ecstasy. But in between Laura and her constant need to have another girl in her bed and Deshona's cheating ex-husband always having her at his beck and call, the two women try to find a sliver lining with the kind of love that they seem to have for each other. Will the two find a common ground and stay together instead of having a come and go relationship or will they just keep on pulling away? This is a compilation of Deshona Chronicles with the following titles and order: Icicles Can Melt Please Take Me Back, Baby! Reckless Betrayal "Some Say the World Will End in Fire . . . Some Say in Ice . . ." Caught in the Act Pull My Hair and Make Me Come! Three on a Bed The Emperor Wants Your Pussy! No One Could Replace You Lock Up the Dogs! Sample #1 Laura embraced her fiercely. "I'm falling in love with you." Deshona frowned. "Don't say the 'L' word. It makes me . . . like that iceberg you were talking about." "It's okay. You don't have to love me back. You just have to catch on fire when I light the match." "You must be lighting it, 'cause my fire hasn't gone out yet," Deshona said, smiling. Laura pulled her down on the mattress and rolled over on top of her, biting her neck playfully. "I'm so glad because I want to devour your beautiful body until you beg for mercy." "Oh, that sounds like fun." They ended up romping heatedly for another hour before temporary exhaustion persuaded them to pause. By that time, both of them had come three more times. Laura, insatiably hungry as always, explored Deshona's very beautiful body in minute detail, discovering in the process a naked back that was a paragon of perfection, and a bottom that was not far behind, as well as short but delectably shaped legs. She kissed every inch of each one, including Deshona's small but shapely feet. She was smitten. She couldn't keep her hands off Deshona, who in turn luxuriated in the knowledge that Laura wanted her so insatiably, something she had not allowed herself to feel for a long time. "Girl," she whispered after Laura had battered her to an especially shattering third orgasm, "nobody ever screwed me this much in my life. Not even my ex-husband, or my horniest boyfriend. How come I couldn't tell you were a fiend under that business suit?" "Because I keep it a deep secret," Laura winked. "You bring out the lust in me." "I sure must. We haven't got any work done today, but we sure got a lot of lust out in the open."
