Effective E-learning: Design, Development and Delivery Madhuri Dubey

Effective E-learning deals with the fundamentals of content design, development and delivery. Universities across India can use it as a textbook for their e-learning programmes. Content designers and developers in the corporate, academic, vocational and government domains can use it to develop e-learning course material.

Real-life examples and hypothetical scenarios have been included. Illustrations, worksheets, exercises, check lists, questionnaires and a glossary make this a useful tool for the learner.
