ReSPAWN: Minecraft Novel Mad About Minecraft

It was a day not too long ago that I felt the world wrapping around me, a darkness swirling until it formed a ground beneath me and scenery around my body in one quick flash. I awoke in a lush field of tall grasses with a square sun above me, staring hard as if it were scolding me for not waking on time as it visibly moved across the sky. I struggled to my knees, taking in the world around me. The blocky clouds, the smudges of color, the bricks of land... So begins Steve's latest challenging survival adventure. Skeletons, Endermen, armored men clad in jewels and brandishing diamond swords, and more...But what about Herobrine? I thought that was just a legend... You will be shocked by the ending of ReSpawn. Mad About MineCraft Novels are REAL tales by REAL travellers. We cannot vouch for the truth of every word. The wilderness, and encounters with strange creatures, leaves many players delirious. All we can promise is that you won't be able to put them down. Enter the world of Minecraft and be prepared for absolutely anything, because ANYTHING can happen in a Mad About Minecraft adventure... Mad About Minecraft novels are based on the Game Minecraft - they are exciting, interesting imaginative stories, not game guides.
