## **Across 7th Street** Marino Amoruso

7TH Street is a main road that runs through a part of Brooklyn, New York. An esplanade with stores and bus stops, it is the hub of the neighborhood. But, it is also the renowned street that signifies the invisible line; the cultural divide that separates the Orthodox Jews and the Italian-Americans who live there. ACROSS 7th STREET is a story of romance and coming of age, during "the last era of innocence" -the early 1960's, before world events erupted into turbulent times. The story is told by Vincent; a 20-year-old streetwise kid who grows into a man before our very eyes. Vincent and his father, who is an Italian stonemason work for many of the Jewish families in the neighborhood. During a job fixing a brick stoop for Mr. Levy, an Orthodox Jewish businessman, Vincent meets his daughter Rachel. Their attraction to each other is undeniable but very complicated, because even though they only live a few blocks away from each other - they are divided by 7th Street. Rachel, 20 years old, is a smart and pretty young woman who is still controlled by her stern father. Vincent begins to show her a world that is much bigger and more exciting than the rigid and smothering adult life that has already been planned by her Orthodox Jewish parents. ACROSS 7th STREET connects us to both the joy of new love and the pain of loss. Vincent's friends and family add humor and a picture of loyalty and compassion as they watch Vincent fall in love with a young woman whose life couldn't be any more different than his. ACROSS 7th STREET is truly an unforgettable story about the power of destiny and the surprising paths our lives often take. Vincent and Rachel's plans and unforeseen circumstances take readers on a ride that seems familiar, but changes course at the worst possible time. The results are quite touching and amusing, sparking nostalgic memories of those times. Similar to books by Nicholas Sparks; Across 7th Street is filled with a heart-warming and humorous story of the NY Jewish and Italian-American cultures in the early 60's.
