## **I Spy: Book Six (Mark Kane Mysteries) (Volume 6)** Mr John Hemmings

In Book Six, Kane and Lucy find themselves with two cases to investigate: one an apparent murder/suicide and the other a tragic accident – or was it? But as they struggle to make sense of the apparently contradictory evidence they discover that neither case is as straightforward as it appears. When the police discover the body of Cynthia Hughes in the kitchen floor and her husband Bob hanged in the garage it seems like an open-and-shut case – but Bob’s mistress, Angela, doesn’t buy it and she hires Kane and Lucy to find the real killer. Meanwhile Mike Kingsley’s son has died after being struck by a train and the police have ruled it an accidental death. But was it? As Kane and Lucy struggle with the two cases simultaneously they discover that they have something in common – neither case is quite what it seems to be; and Kane once more finds himself drawn into the dangerous world of drug traffickers.
