#### **Eric Rodriguez:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Interviewing for a Network Engineer Position (Volume 1) can make you experience more interested to read.
