From #1 Amazon Best-Selling Author Jason Jade

Though they thought the lands they wandered to be devoid of human life, Kevin, Laura and Steve eventually found themselves in a small village.

Running low on supplies, their weapons half-broken and their armor in an even worse state, the trio sought simply to replace their failing equipment.

Unfortunately, even though their packs were filled with emeralds, diamonds and gold bars, it wasn't enough.

For the town's chief alchemist controlled the flow of supplies and he refused to help the companions unless they performed for him a very specific task - journey into the hellish realm known as the Nether and retrieve a most valuable prize.

But would their skills prove sound enough when pitted against the deadly ghost?
