Choosing the right type can be one of the hardest parts of any designer's job. There are thousands of available fonts from which to choose. Now available in bookstores for the first time, this comprehensive reference guide makes it easy to choose from the vast selection of over 2,750 typefaces from the Adobe Type Library, one of the largest and most respected collections of type available. This book displays the characters of each typeface, plus useful reference charts with standard expert character sets for Windows and Mac OS. It's organized both alphabetically and by style, with an easy-to-use quick reference which shows what a font looks like and where to find it within the book. This type library reference features typefaces from internationally renowned foundries and award-winning type designers. Readers will learn the distinguishing characteristics of different styles--from a graceful Grotesque to simple sans serif--as well as the ins and outs of OpenType and MultipleMaster, ornamental type, symbols, historical facts, and more.

From reader reviews:

George Gomez:

Book is to be different for each and every grade. Book for children till adult are different content. To be sure that book is very important normally. The book Adobe Type Library Reference Book had been making you to know about other know-how and of course you can take more information. It is extremely advantages for you. The book Adobe Type Library Reference Book is not only giving you far more new information but also to get your friend when you truly feel bored. You can spend your personal spend time to read your book. Try to make relationship while using book Adobe Type Library Reference Book. You never feel lose out for everything when you read some books.

Paul Ring:

Does one one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't assess book by its deal with may doesn't work here is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer can be Adobe Type Library Reference Book why because the wonderful cover that make you consider concerning the content will not disappoint you. The inside or content will be fantastic as the outside as well as cover. Your reading 6th sense will directly show you to pick up this book.

Christopher Gaul:

This Adobe Type Library Reference Book is great publication for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great coordinate word or we can state no rambling sentences inside. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Adobe Type Library Reference Book in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world with ten or fifteen tiny right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

Lorenzo Lowe:

Many people spending their time frame by playing outside together with friends, fun activity along with family or just watching TV the entire day. You can have new activity to invest your whole day by studying a book. Ugh, you think reading a book can actually hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Mobile phone. Like Adobe Type Library Reference Book which is finding the e-book version. So , try out this book? Let's notice.
