The Never Hero (Chronicles of Jonathan Tibbs) (Volume 1) T Ellery Hodges

At the gates between worlds... In a war outside of time... He fights for us. Reclusive college student Jonathan Tibbs wakes in a pool of blood, not a scratch on him. His life is about to undergo a massive shift. A violent and monstrous alien enemy unleashes slaughter in the streets, calling out in a language only he understands. And it is seeking its challenger. In order to defeat the threat, Jonathan must become a temporal weapon, while remaining completely anonymous. Unfortunately, harnessing off-world powers has its own special challenges... The Never Hero is the first installment in The Chronicles of Jonathan Tibbs -- a mind-bending, genre crossing, action-adventure trilogy. "Thought provoking, action packed, psychological and smart." ~Amazon Reviewer, Sam G | See full review below. "I have a feeling I will be mulling over the philosophical ideas presented in this book for a very long time. Interesting, thought provoking, inspiring. Write faster, we need more books that pull on heart strings and keep the reader totally involved." ~Amazon Reviewer, Laura Lee | See full review below. "The Never Hero is a book I wish I hadn't read -- so I could read it for the first time. Hodges has crafted a superb story about a hero who isn't. But he is. Even though he isn't. He has created a literary landscape equal to the task; a story that comes upon you slowly, then grabs you by the throat and refuses to let go. I can highly recommend both this title and author. If you enjoy scifi, this will thrill you. If you enjoy being surprised, this will catch you completely off guard. I was upset it was over. I want more!" ~Amazon Reviewer, Joe | See full review below. "Say Joss Whedon's Buffy The Vampire Slayer got together with Christopher Nolan's Inception and made a baby. Then, M. Night Shyamalan's Unbreakable got together with Orson Scott Card's Ender's Game and made a baby. Then those two babies grew up, eloped and had a love child, who they put up for adoption, and was raised by the surrogate parent's of Sylvester Stallone's Rocky and the Wachowski Brother's Matrix, but had a crazy Uncle they all called The Karate Kid... Then you might get something as awesome as The Never Hero." ~Amazon Reviewer, Scott Baker | See full review below. "I think it's only a matter of time before 'The Never Hero' becomes a Sci-Fi bestseller and a blockbusting movie. The story is more than gripping, it's throat clutching." ~Amazon Reviewer, Maria Stoica | See full review below. Get your copy and start reading today!
