The New Testament and the People of God (Christian Origins and the Question of God) Canon N. T. Wright

Twenty years on from its original appearance, this ground-breaking first volume in N. T. Wright's magisterial series, 'Christian Origins and the Question of God', still stands as a major point of reference for students of the New Testament and early Christianity. This latest impression has been completely reset to make Wright's elegant and engrossing text more readable. 'The sweep of Wright's project as a whole is breathtaking. It is impossible to give a fair assessment of his achievement without sounding grandiose: no New Testament scholar since Bultmann has even attempted - let alone achieved - such an innovative and comprehensive account of New Testament history and theology.' Richard B. Hays
