The Power of Love: Connecting to the Oneness James Van Praagh

Internationally acclaimed best-selling author, spiritual teacher, and world-renowned medium, James Van Praagh has received hundreds of thousands of messages from the other side of life. And all too often, in many of these messages, the deceased have shared with him that they want the living to know how to utilize the power of love while they are still living life in the physical body.

With this mesmerizing book, James demonstrates the transformative energy and force of love. In nine concise chapters, he reminds you that love knows no limits and can alter a person's life forever. Sharing vivid personal stories and incredible knowledge from the afterlife, James shows how you can activate the power of love to open your heart to the world.

When you align yourself with loving thoughts, anxiety and worry will start to fade. Decisions that might have preoccupied you before will become easier to make. Difficult events and people will not be drawn to you, because you are learning to release that magnetic energy. When you begin to consciously surround yourself with the energy of love and acceptance—your natural state of being—your journey in this physical dimension can become much smoother, more purposeful, and more powerful.

“When we use the power of love, we become aware of our place in our world and the cosmos beyond. We know our worth, and we value life and the lives of other living beings. We feel connected to one another as the light within us shines on everyone. We become divine messengers of the One Source, recognizing that we are not separate, but rather part of the Oneness of all life.”
