## **The Six Lamps: Secret Dzogchen Instructions of the Bön Tradition** Jean-Luc Achard

Esteemed Tibetologist Jean-Luc Achard contextualizes and provides a clear translation of highly secret precepts on Dzogchen practice unlike anything published.

The *Instructions on the Six Lamps* is a profound and important work from the Bön Dzogchen tradition and is one of the root texts of the *Zhangzhung Nyengyü* (Oral Transmission of Zhangzhung) series of teachings. Considered to be the central work of the inner cycle of these teachings, it expertly details the principles of the natural state and its visionary marvels. The root text describes highly secret precepts on Dzogchen (Great Perfection) practice—the teachings of Trekchö and Thögel—as revealed by Tapihrtsa to Gyerpung Nangzher Löpo. The teachings in this text represent oral instructions transmitted by a single master to a single disciple in the mode known as “single transmission.” It is through such a practice that one can see the clear light of one’s own mind before achieving complete buddhahood. In this respect, the text contains a complete teaching of Dzogchen, from beginning to end.
