*When she had gotten the thermometer past body temperature, she moved back to the bed. "Now push your pajama bottoms down so that I can take your temperature, Charlie," she told him in an offhand and casual tone of voice.*

*"My pajama bottoms?" he said.*

*"Well, I certainly can't take a rectal reading if you don't push them down. But if you're embarrassed, I don't even see why you bothered to come to my room tonight, to begin with. After all, I didn't invite a boy here, you know."*

*More embarrassed than ever, more confused as well, he turned his head away and gave in to her demands, reaching down to push his bottoms off so that within another moment she found herself ogling the twin muscular cheeks of his dimpled and laddish ass.*

*She moved closer, seeing how they were covered with a kind of peach fuzz of fine downy hair, golden as opposed to the dark-brown that grew long and shaggy over his head and covered his ears to the nape of his neck.*

*Annie trembled, got up on the bed and gently pried the boy's buttocks apart. She felt the way he was stiff, holding his breath and she smiled wickedly to herself, loving the way she was corrupting him and taking his innocence. She had a feeling that Charlie was still a virgin and this only delighted her all the more as she took hold of his buns and pulled them gently but firmly apart.*

Fresh from obtaining her teaching diploma, Annie Wright is ready to influence some bright and eager young minds. But when she sees a job posting for a live-in assistant at the home of a couple of illustrators she can't help but wonder what sexual mischief she might be to get up to.

With the Clays and the step-daughter and step-son, Annie will test just how willing they are to push those forbidden buttons, those taboo boundaries. Seducing first the step-son Charlie, then onto the father, then wife, then ever so curious step-daughter, our lascivious young protagonist will educate them in all the pleasures of the flesh. Through lesbian trysts, spankings, slow seductions, to wild ruttings, all will lose themselves in the wildest of abandons.

Graphically written and leaving absolutely nothing to the imagination *A Live-in Assistant's Seduction* is a tour de force of utmost libidinous depravity. An extremely physical education awaits all.
