Future of United Nations in the 21st Century

Dr. V K Saxena

Future of United Nations in the 21st Century Dr. V K Saxena

The book delves into the exciting world of the UN with an aim to try and perceive the future of this World Body in the tumultuous times of the 21st Century. With an analytical eye towards the future, the book researches the question, 'Whether the UN, in times to come, will get further marginalized and doomed to irrelevance or will it eventually be scaled up to a status of indispensability.'

The thrust of the book is to bring out very useful inputs on how the UN, which reflected the main political concerns, threats, perceptions and the distribution of power of the World War II victors in 1945, must now re-position and re-align itself in the current framework of threats, challenges, aspirations, power plays, economics and the security perceptions of the new world pegging order of the 21st Century.

From reader reviews:

Victoria Williams:

The book Future of United Nations in the 21st Century can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book Future of United Nations in the 21st Century? A few of you have a different opinion about e-book. But one aim in which book can give many details for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or details that you take for that, you can give for each other; you may share all of these. Book Future of United Nations in the 21st Century has simple shape nevertheless, you know: it has great and big function for you. You can appear the enormous world by start and read a e-book. So it is very wonderful.

Sophia Myers:

Does one one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you never know the inside because don't judge book by its protect may doesn't work this is difficult job because you are frightened that the inside maybe not since fantastic as in the outside search likes. Maybe you answer can be Future of United Nations in the 21st Century why because the amazing cover that make you consider about the content will not disappoint you. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Robert Clift:

This Future of United Nations in the 21st Century is great reserve for you because the content that is certainly full of information for you who have always deal with world and still have to make decision every minute. That book reveal it details accurately using great arrange word or we can state no rambling sentences inside. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Future of United Nations in the 21st Century in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen moment right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

Juana Kitchen:

What is your hobby? Have you heard which question when you got scholars? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. So you know that little person including reading or as looking at become their hobby. You need to understand that reading is very important as well as book as to be the point. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You discover good news or update concerning something by book. Many kinds of books that can you choose to use be your object. One of them is actually Future of United Nations in the 21st Century.
