It Looks Like a Ck!** Ben Dunn, Jack

We live in a beautiful, enchanting world, a startling universe resplendent with a cornucopia of multitudinous delights – the laughter of a child; the first rainfall after an endless, sweltering summer; the twinkling reflection of a full moon over a calm midnight lake on a cool autumnal night; a freshly baked ciabatta, straight from a Tuscan oven, coquettishly handed to you by an olive skinned, raven-haired, nubile signorina by the name of Bernadetta.

This much we know.

Oh yeah, and there are some things that look like c**ks.

This is a hilarious, full-color book of things in this world that look like c**ks, and will appeal as a gag gift, an impulse buy, a naughty stocking stuffer, a little something for a bachelorette party, for frat boys and anyone else interested in things that look like c**ks.
