Payroll Accounting 2017

Jeanette Landin, Paulette Schirmer

Payroll Accounting 2017 Jeanette Landin, Paulette Schirmer

A modern approach to payroll accounting, Landin/Schirmer's **Payroll 2017** provides a “practitioners’ view” of this highly specialized area of accounting. Incorporating examples of real-world companies, **Payroll 2017** highlights the relevance of the course in its coverage of issues that students will face in their careers, such as labor planning and labor costs. Whether you are teaching face-to-face, hybrid, or online, **Payroll 2017** is flexible enough to be used in courses as short as three weeks and as long as fifteen weeks. Connect® provides multiple opportunities for students to build their skills through practice, including exercise sets at the end of each chapter, auto-graded payroll and tax forms, the Continuing Payroll Project in each chapter, and a Comprehensive Project that encompasses an entire quarter of payroll accounting topics.
