Pussification: The Effeminization of the American Male Doug Giles

PUSS-I-FI-CA-TION: The act, or process, of a man being shamed, taught, lead, pastored, drugged or otherwise coerced or cajoled into throwing out his brain, handing over his balls and formally abandoning the rarefied air of the testosterone-leader-fog that God and nature hardwired him to dwell in, and instead become a weak, effeminate, mangina sporting, shriveled up little pussy. * From The Doug Giles 2016 Dictionary of Grow the Hell Up, You Pussy!?! In Giles' latest, and most raucous book, he takes 'Generation Pussy' from the warm wet womb of 'Pussville' to the rarefied air of 'Mantown.' This is definitely one of the most politically incorrect books to ever hit the market. It will most certainly offend the entitled whiners, but it will also be a breath of fresh air to young males who wish to be men versus hipster dandies.
