What do you do when the past you've been skirting shows up at your door with cameras rolling?

Aubrey James ruled the charts as the queen of country for over a decade. She'd rocketed to fame in the shadow of her parents' death-both of them pioneers in Gospel music. But while her public life, high profile romances, and fights with Music Row execs made for juicy tabloid headlines, the real and private Aubrey has remained a media mystery.

When a former band member betrays Aubrey's trust and sells an "exclusive" to a tabloid, the star knows she must go public with her story. But Aubrey's private world is rocked when the *Inside NashVegas* interviewer is someone from her past-someone she'd hoped to forget.

All the moxie in the world won't let this Diva run any longer.
