The highly erotic yet aesthetic photos in this calendar show a succession of interesting models who draw in viewers with their lascivious, ostentatious and suspenseful body positions. The effect of this nude and partly-nude photography as a genre of artistic photography requires trust between the model and the photographer. Perhaps for this reason, this type of photography is considered a supreme discipline. Incidentally, less is often more. The viewer doesn't always need or want to see everything, in fact: he wants his imagination to be stimulated - a type of tension created between the model's artistic nudity and the photographer with technical resources resulting in a professional and sensitive collaboration. Shaded in blue, the photos deliver a special sensory ambience. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
