[Menage and More: Erotic Historical Menage a Trois Romance, M/F/M, M/F/F, with F/F, interracial, forced seduction] No one ever told Lucy Black Grant 'no' until the two outlaws who saved her life decided to keep her for themselves. Her seduction by the men turned out to be the seduction of the entire camp in their impenetrable stronghold by Lucy instead. Pierre and Rafe were as different as two men could possibly be but share the same desires for the spitfire they brought into the midst of some unforgiveable character: a drunken, filthy man of the cloth who was not a preacher, Mercedes who desired her in many ways, a huge woman called Stella, Bridge who picked the wrong woman, her brother Lucas, and Jed who loved Lucy and her mother both. Lucy found the outlaw life both exciting and frightening, and her heritage taught her that killing was sometimes necessary and robbery can become a way of live. Her lovers protected her, even as she grew wilder and more savage with those whom she considered useless and expendable. But things changed when her brother became a hostage and her belly grew large with child. Homesickness for her father Black Eagle Grant and mother Lucretia Lucinda Grant. Now she must find a way to go home...if she can!
Note: Heroine is forced sexually and is abused physically ** A Siren Erotic Romance
