## The Pick of Furry Logic

Jane Seabrook's sly humor and achingly cute watercolors of animals have snuggled their way into the hearts of thousands of people around the world. Now, her most memorable works are all in one charming easel-backed book, poised to warm up any office desk, kitchen counter, or nightstand. Exquisitely detailed depictions of birds, bears, penguins, and other creatures caught up in the joy and drudgery of life are paired with adages that put a new spin on modern times. Empowered by spunky sentiments like "Be yourself--nobody is better qualified," and "It's been lovely, but I have to scream now," Seabrook's fans will delight in having her furry friends dutifully propped to spread their cheer morning, noon, and night. A best-of-the-best collection from the increasingly popular FURRY LOGIC series, presented in a stand-up easel book--the perfect desktop or countertop reminder to laugh at life's little challenges. Includes 48 full-color artworks paired with witty and wise sayings, with favorites from Seabrook's three books (FURRY LOGIC, FURRY LOGIC PARENTHOOD, and Laugh at Life). FURRY LOGIC and FURRY LOGIC PARENTHOOD have sold 525,000 copies combined. An ideal gift for Mother's Day, Father's Day, birthdays, graduations, anniversaries, any reason at all, or just for yourself.
