The Silent Game: The Real World of Imaginary Spies David Stafford

The Silent Game traces the history of spy writers and their fiction from creator William Le Queux, of the Edwardian age, to John le Carré, of the Cold War era. David Stafford reveals the connections between fact and fiction as seen in the lives of writers with experience in intelligence, including John Buchan, Compton Mackenzie, Somerset Maugham, Ian Fleming, and Graham Greene. Le Queux used his spy fiction as xenophobic propaganda before and after World War I, and le Carré's novels have provided reflections on the Cold War and the decline of Britain's influence. Anxieties about the decline of the American "empire" have helped stimulate a more vigorous American literature of espionage, providing an index of contemporary American concerns about power relations. As Stafford suggests, the genre of espionage fiction rarely intends to document the real world of intelligence. Rather, it provides a popular vehicle for exploring themes of imperial decline, international crisis, and impending war.

From reader reviews:

Ruth Haakenson:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each publication has different aim or maybe goal; it means that guide has different type. Some people experience enjoy to spend their time and energy to read a book. These are reading whatever they take because their hobby is actually reading a book. Why not the person who don't like reading through a book? Sometime, man or woman feel need book once they found difficult problem or exercise. Well, probably you will want this The Silent Game: The Real World of Imaginary Spies.

Debbie Bennett:

With other case, little men and women like to read book The Silent Game: The Real World of Imaginary Spies. You can choose the best book if you want reading a book. Given that we know about how is important a new book The Silent Game: The Real World of Imaginary Spies. You can add expertise and of course you can around the world by the book. Absolutely right, due to the fact from book you can realize everything! From your country right up until foreign or abroad you will be known. About simple matter until wonderful thing you may know that. In this era, we are able to open a book or perhaps searching by internet system. It is called e-book. You need to use it when you feel weary to go to the library. Let's read.

Steven Anderson:

Precisely why? Because this The Silent Game: The Real World of Imaginary Spies is an unordinary book that the inside of the guide waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Michael Davis:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Silent Game: The Real World of Imaginary Spies can make you really feel more interested to read.
