Expert horseman Bill Dorrance chose the name **True Horsemanship Through Feel** because “feel” is the language of horses. Learning that language can expand any horseman's knowledge and abilities—whether he or she is learning to ride, train, or compete. In a writing style that is generously detailed and packed with meaning, Dorrance directs the reader’s attention to the many subtle things about how horses and humans act and interact. In these pages, he urges us to reach toward a deeper level of insight into horses and their riders, as he shares a wealth of helpful information. With hundreds of illustrations, **True Horsemanship Through Feel** takes the reader step by step through the basic challenges that have characterized horse-human relations for centuries. Drawing on his years of experience, Bill Dorrance has crafted a book that imparts knowledge previously available only by word of mouth.
