## **14 Disciplines For The First Year At College** L A Isaacs

14 Disciplines For The First Year At College gives insightful, and skillful, recommendations for transitioning high school students as they begin their journey of attending college. This easy read addresses 14 major components to being successful and cautious when going off to college and could also serve as a base throughout college years. This book should be viewed as extra to what most students already know yet fall short of implementing due to stresses, strains and overwhelming peer pressure often experienced on campus. This is not only meant to be a practical guide, but to touch on key aspects of college life itself. In addition, savvy tips for you to consider are included to move through college more efficiently. The methods and strategies in this book are meant to assist you in effectively maneuvering in—and out of—certain situations you might encounter during your first year at college. This book would make an excellent gift!
