## **Los culpables** Alexis Romay

Alexis Romay ha colaborado con los espacios digitales Encuentro en la red, Letralia, Tierra de Letras y Penultimos dias, asi como con las revistas Encuentro de la Cultura Cubana y Letras Libres. Obtuvo una maestria en Lengua y Literatura Hispanoamericana en City University of New York. Su novela Salidas de emergencia fue publicada en España por Baile del Sol (Tenerife, 2007) y en Italia por NonSoloParole (Napoles, 2007). Vive en Nueva Jersey, con su esposa, sus perros y varios libros. En su tiempo libre ¿lo que equivale a cualquier momento fuera de Cuba?, escribe sobre la isla y otros objetos flotantes en su esquina virtual: Belascoain y Neptuno. Los culpables es un libro certero y conciso que revela sus claves desde las primeras paginas. El equilibrado viaje entre el desgarró, el lirismo y la parodia es puesto en escena desde el primer poema, que retuerce al máximo las alusiones a otros exilios, otras vidas y otras tragedias que marcaran al resto de los textos aquí presentes. En este libro todo sucede con fina sutileza y a la vez no nos sentimos solos en el juego de interpretaciones que el autor nos sugiere. Estamos obligados a interpretar pero el autor no juega a falsos enigmas, sino que mas bien se empeña en desentranarlos apelando a sus diversos registros poeticos. En medio de los versos hay alusiones veladas y no tan veladas a Jose Marti, a las fantasias de las izquierdas del siglo XX y a los desmanes del poder totalitario, a las letanias de las nuevas religiones que trastornan con una persistencia terrible la conciencia nacional de Cuba, y hasta a esos boleros que una y otra vez nos remiten a los seres amados. Este calculado despliegue tiene un unico trasfondo que reaparece a lo largo del libro como el motivo de una sinfonia, recreado una y otra vez de maneras distintas. Este trasfondo, que no es nombrado de frente sino mediante el perfil de los sonidos y la palabra, nos remite por encima de todo al enigma de la palabra poetica.

### From reader reviews:

#### **Herbert Haubrich:**

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want drive more knowledge just go with training books but if you want really feel happy read one using theme for entertaining such as comic or novel. The actual Los culpables is kind of guide which is giving the reader unforeseen experience.

#### **Diane Merryman:**

Reading a book tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. With book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write with their book. One of them is this Los culpables.

#### **David Dabbs:**

Don't be worry should you be afraid that this book will probably filled the space in your house, you might have it in e-book approach, more simple and reachable. This Los culpables can give you a lot of pals because by you looking at this one book you have thing that they don't and make anyone more like an interesting person. This particular book can be one of one step for you to get success. This guide offer you information that perhaps your friend doesn't understand, by knowing more than some other make you to be great folks. So , why hesitate? Let me have Los culpables.

#### **Doris Garcia:**

Do you like reading a guide? Confuse to looking for your preferred book? Or your book was rare? Why so many problem for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes looking at, not only science book and also novel and Los culpables or perhaps others sources were given knowledge for you. After you know how the good a book, you feel desire to read more and more. Science reserve was created for teacher or even students especially. Those textbooks are helping them to increase their knowledge. In different case, beside science publication, any other book likes Los culpables to make your spare time more colorful. Many types of book like here.
