An invaluable resource for wealth managers advising individuals, couples, and families, this book explains why human emotions drive all investor behavior and makes a powerful case for why advisors need to be aware of such emotions in advising clients—especially in high-stakes situations.

- Outlines a powerful and insightful client management approach that wealth advisors and financial consultants can use to build stronger, more enduring relationships with all types of clients
- Highlights effective strategies that advisors can use to advise their clients, especially in high-stakes situations of market volatility or economic uncertainty
- Enables financial advisors to understand the subtle emotional factors and hidden human psychology that drive all investing and wealth management discussions and decision making
- Provides insights distilled from more than 20 years of experience in wealth management
