Colorful Creatures Wild Horses: An Adult Coloring Book Jordan Biggio

Grab your colored pencils, gel pens, markers or crayons and get ready for a coloring adventure filled with beautiful wild horses. Each horse has been meticulously hand drawn by Jordan Biggio, nature enthusiast and illustrator.

Designed to appeal to horse lovers of all ages. Beginners will love the large open spaces giving them plenty of area to lay down solid colors. No artistic skill is required in order to make a jaw dropping masterpiece. Advanced colorists will enjoy using the line art to apply shading techniques that make the horses come to life. As a bonus each exotic horse is printed twice in this book. Not only does this give you the opportunity to color each scene twice, it also gives you a clean slate in case you make a mistake! It is like having two copies of the same book.

As a second bonus, both the front and back cover are printed with a matte finish. This means you can color them too!

Each horse scene is printed on one side of 60 lb pure white paper to minimize scoring and bleed-through. We suggest using crayons and high quality colored pencils for the best results. Markers and gel pens work as well, but we suggest placing a piece of scratch paper between the pages to prevent the excessive bleed-through these coloring mediums are known for. Please note the pages in this adult coloring book are not perforated.

What are you waiting for? Get a copy today and start coloring in these horses!
