Hidden in the Stars: Quilts of Love Series Robin Carroll

Following an attack that killed her mother and stole her ability to speak, 21-year-old Sophia Montgomery has no choice but to accept her estranged grandmother's offer to return to their family home. Although detective Julian Frazier is working hard on the case, Sophia unknowingly frustrates him because her inability to speak thwarts her eyewitness evidence. The fact that Julian is undeniably attracted to Sophia doesn't help either, so Julian hides his feelings as concern for a trauma victim and focuses instead on finding the killer.

Little do they know, the clues to solving the case may be right in front of them, displayed in Sophia's mother's "special" quilt design. Who will realize the secret Sophia's unwittingly been hiding in plain sight? When the truth comes to light, will Sophia find her voice again? Or will the murderer—still at large—silence her forever?
