Ripe: A Cook in the Orchard

Nigel Slater

Ripe: A Cook in the Orchard Nigel Slater

Britain's foremost food writer Nigel Slater returns to the garden in this sequel to *Tender*, his acclaimed and beloved volume on vegetables. With a focus on fruit, *Ripe* is equal parts cookbook, primer on produce and gardening, and affectionate ode to the inspiration behind the book--Slater's forty-foot backyard garden in London.

Intimate, delicate prose is interwoven with recipes in this lavishly photographed cookbook. Slater offers more than 300 delectable dishes--both sweet and savory--such as **Apricot and Pistachio Crumble**, **Baked Rhubarb with Blueberries**, and **Crisp Pork Belly with Sweet Peach Salsa**. With a personal, almost confessional approach to his appetites and gustatory experiences, Slater has crafted a masterful book that will gently guide you from the garden to the kitchen, and back again.
