The Wilmington Campaign: Last Rays of Departing Hope

Jr. Chris E. Fonvielle

The Wilmington Campaign: Last Rays of Departing Hope Jr. Chris E. Fonvielle

While prior books on the battle to capture Wilmington, North Carolina, have focused solely on the epic struggles for Fort Fisher, in many respects this was just the beginning of the campaign. In addition to complete coverage (with significant new information) of both battles for Fort Fisher, The Wilmington Campaign includes the first detailed examination of the attack and defense of Fort Anderson. It also features blow-by-blow accounts of the defense of the Sugar Loaf Line and of the operations of Federal warships on the Cape Fear River. This masterpiece of military history proves yet again that there is still much to be learned about the American Civil War.
