All the Garbage of the World, Unite!

Kim Hyesoon

All the Garbage of the World, Unite! Kim Hyesoon

Poetry. East Asia Studies. Translated from the Korean by Don Mee Choi. The celebrated Korean poet Kim Hyesoon writes from a radiant black zone where matter becomes dark matter, human becomes trinket, garbage becomes god, a zero-point for our present moment's grotesque and spectacular inversions. This volume includes a selection of recent work, the landmark poem "Manhole Humanity," and the essay "In the Oxymoronic World." With fiercely incisive translations and a preface by Don Mee Choi. "As garbage, love and death accumulate in her poems, your world will be changed for real!"—Aase Berg
