Edge of Maine (Directions)

Geoffrey Wolff

Edge of Maine (Directions) Geoffrey Wolff

Novelist and biographer Geoffrey Wolff has spent many summers in Maine—sailing its coastal waters, climbing its rocky peaks, and communing with its natives. Now, with the voice of a passionate insider, he brings readers into the heart of this striking region and explains what makes it unique. Starting with a gripping tale about being lost offshore in the fog with inadequate navigational aids, Wolff goes on to describe the coast's geological history and discovery by Europeans. He then turns a keen eye towards Mainers, their mores and peculiarities, and to the summer rusticators who for generations have invaded the stunning waterfronts. A section on boat building celebrates the extraordinary rescue of Maine's foremost craft; another on lobsters tells the rich story of the custom, taste, commerce, environmental conflict, and scientific mystery surrounding these critical crustaceans. Here is a true feast—travel literature at its best.

From reader reviews:

Edward Robinette:

In this 21st century, people become competitive in most way. By being competitive right now, people have do something to make these individuals survives, being in the middle of the crowded place and notice by surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yep, by reading a guide your ability to survive improve then having chance to stand up than other is high. To suit your needs who want to start reading a new book, we give you this Edge of Maine (Directions) book as starter and daily reading book. Why, because this book is usually more than just a book.

William Lee:

Information is provisions for people to get better life, information presently can get by anyone at everywhere. The information can be a understanding or any news even restricted. What people must be consider while those information which is in the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Edge of Maine (Directions) as your daily resource information.

Sidney Robertson:

The book Edge of Maine (Directions) will bring you to the new experience of reading a book. The author style to explain the idea is very unique.
