Emily Rose may be in the tiny West Texas town of Callahan Crossing for the moment, but it's just a rung on her ladder to success. Her work at the Callahan Crossing historical society will look good on her ever-growing resume as she attempts to break into the prestigious world of a big city museum curator. Little does she know cowboy and contractor Chance Callahan has decided that he can convince her to stay--both with the town and with him. As he helps Emily restore the town's history after a devastating fire, he also helps her uncover her own hidden worth and the value of love.
