Bred to Kill Franck Thilliez

[Translated by Mark Polizzotti]

[Read by Gildart Jackson]

The shocking sequel to the runaway international bestseller *Syndrome E*

Syndrome E's Lucie Henebelle and Inspector Sharko have reunited to take on the case of the brutal murder of Eva Louts, a promising graduate student who was killed while working at a primate research center outside Paris. But what at first appears to be a vicious animal attack soon proves to be something more sinister. What was Eva secretly researching? Was she tracking three fanatical scientists who control a thirty-thousand-year-old virus with plans to unleash it on the world?

With his unmatched ability to inject cutting-edge science into his novels, Franck Thilliez draws on genetics, paleontology, and the dark side of human nature to create this smart, adrenaline-fueled thriller. ***Bred to Kill*** moves from the rain-slick streets of Paris to the heart of the Alps to the remote Amazon jungle, as Lucie and Sharko work to solve the murder - before whoever killed Eva comes for them.
