## **Leadership and the E-Learning Organization** Susan Smith Nash

Today's e-learning organization - college, university, school, training unit, or business -- faces unique challenges, and this book of essays and articles is an invaluable resource. In this book by Susan Smith Nash, who has been involved in the development and administration of distance and online courses since the early 1990s, you will find articles on leadership, teaching, curriculum, e-learning "in extremus," technology (including the theory and effective use of podcasts, blogs, and new popular technology-forward devices), student needs and instructional activities that bring about highly effective learning situations. The articles in this book answer your questions. The solid scholarship and resources for further study help you succeed in the ever-evolving world of e-learning.
