## **Spreadsheet Modeling and Decision Analysis** Cliff T Ragsdale

This fourth edition retains the elements and philosophy familiar to readers of past editions. New topics have been added as well as examples that are relevant to decision making in today's business world. The text provides instruction in the most commonly used management science techniques and shows how these tools can be implemented using the most up-to-date version of Microsoft Excel for Windows. This text also focuses on developing both algebraic and spreadsheet modelling skills.
