## **The Essential Batman Encyclopedia** Robert Greenberger

For the first time in more than 30 years comes a comprehensive, fully illustrated encyclopedia containing all the essential details and trivia about the Dark Knight. Illustrated and bound in durable hardcover. The ultimate guide to the man behind the mask . . . and the mythology behind the man. "Criminals are a superstitious, cowardly lot. So my disguise must be able to strike terror into their hearts. I must be a creature of the night, black, terrible. . . . I shall become a bat!" So declared millionaire industrialist Bruce Wayne, orphaned as a boy by a murderous thug and driven as a man to battle the scourge of crime by becoming Batman. Batman swooped into popular culture in 1939-and for nearly seventy years has thrilled audiences in countless comics, live-action and animated television programs, and seven feature films. Prowling the darkened rooftops of Gotham City, roaring through the teeming streets in the sleek, high-powered Batmobile, and leaping into action when the iconic Bat-Signal pierces the night sky, the Caped Crusader is a larger-than-life legend. And now, for the first time in more than thirty years, everything there is to know about Batman-from the beginning to the present, and from A to Z-is collected in one comprehensive new source book. More than 500 pages of entries and illustrations include: Even an all-access pass to the Batcave couldn't rival former DC Comics editor and Batman scholar extraordinaire Robert Greenberger's exhaustive ultimate archive. The Essential Batman Encyclopedia is a must for every Batman fan's bookshelf.
